

Rubber Track Undercarriage

For Cat® Multi Terrain Loaders

Expect more from the experts

Maximize the life of your undercarriage

To get the most out of your investment, it pays to know your undercarriage. Following the operating techniques and maintenance practices outlined in this guide can greatly extend service life. And your Cat dealer is ready to help—with parts and service solutions, or just some advice along the way. We're built to put you in control.

Call your Cat dealer with questions about machine operation, maintenance, or service.

BUILT FOR IT.™
