PARTS ORDERING AND PRODUCT SUPPORT

Use only genuine Cat® parts in the maintenance, rebuild or repair of these machines. The manufacturer shall have no liability for any machines or parts that have been improperly handled; that have not been operated, maintained or repaired according to furnished manuals or other written instructions, and that have been operated with other than genuine Cat parts or authorized OEM components.

IDENTIFICATION OF THE MACHINE

Always furnish the Model Number and Serial Number when ordering parts. This information is found on the machine nameplate.

PART NUMBER AND DESCRIPTION

In addition to the Model and Serial Number, always give the part number and description of each part ordered. If there is any doubt as to the correct part number and description, furnish a dimensional sketch or return the part to be replaced, transportation charges prepaid. Your cooperation in furnishing as much information as possible will assist us in filling your orders correctly and in the shortest possible time.

SHIPMENT

Unless otherwise instructed, all shipments will be made via motor freight collect, freight forwarder or UPS prepaid and charged on our invoice. Shipments cannot be made on open account until your credit has been approved by our accounting department.
